

MASABA DEALER CONTENT KIT

QUARTERLY PLAN

EDITION #1

MARCH 2026

DURABILITY & DEPENDABILITY

2

The @masabainc Magnum Telescoping Conveyor is built for dependable performance and operator safety. Its track drive system provides smooth, controlled movement — making it the safest telescoping conveyor on the market.

As your local Masaba dealer, we're here to help you find the right equipment for your operation.

PRODUCTIVITY & PERFORMANCE

3

The @masabainc Truck Unloader is built for high performance and smarter material flow. With patented features and dual or triple ramp options, it eliminates the need for double material handling — saving time, fuel, and wear on your operation.

Proud to offer Masaba's proven lineup of reliable, high-performing equipment.

DECEMBER 2026

APPRECIATION & STRENGTH

5

As the year wraps up, we're reminded of the strength it takes to keep operations moving — and the equipment that helps make it possible.

The @masabainc Self-Contained Stacker is built with the power, reliability, and independence to perform anywhere, any time.

Proud to offer Masaba's equipment line built for strength and long-term success.
