MASABA Stationary or Skid-Mounted Side Dump Truck Unloader

**BENEFITS OF MASABA**

Masaba has removed the need for dumping material on the ground with the Side Dump Truck Unloader. This stationary or skid mounted unit features a 40’ Hopper built from 3/8” AR steel positioned over a 36” x 52” Feed Conveyor to increase efficiency by reducing the number of times your material needs to be handled. 4’ Hopper Back and Side Boards will remove spillage while feeding this unloader in high volumes of material.
