MASABA Portable 7’ x 20’ TD Screen over Twin 44” Fine Material Washer

BENEFITS OF MASABA

Masaba Portable Wash Plants are designed for exceptional strength and maximum efficiency. Built on a Heavy Duty Wide Flange Beam Chassis (1), Masaba Wash Plants are the toughest available. Masaba’s Twin 44” Fine Material Screw Washers (2) will efficiently remove all clays, slimes, and silts from your material. Easy maintenance is key for minimizing downtime. Masaba Portable Wash Plants use standardized parts and feature Fully Diamond Plated Platforms (3) complete with Double 2” Handrails and Kickplates.

King Pin Weight: 34,400 lbs
Axle Weight: 60,600 lbs

*NOTE: Listed weights are not exact. Actual weights will vary based on screen size, brand, options, etc.*

Twin 44” Sand Screws
Fully Decked Platform
Double 2” Handrails
